

# Car Dreams

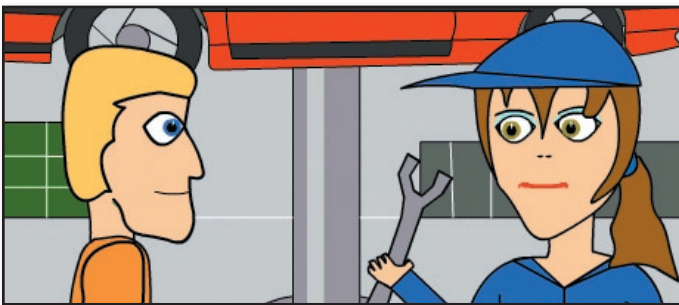

## *The essential CD-ROM on buying a used car!*

Now, even someone who doesn't know a piston from a pedal will be able to make a smart choice about buying a used car. Erik the Car Dude lays it all out with detailed point-by-point inspections; just point and click to learn what sounds, sights and smells to be leery of. This cartoon even helps make sense of different types of insurance and transferring a title.
