

Career Spins

A fun way for teens to identify their potential career goals!

Designed for visual learners, this interactive software uses fast-moving images and music to ask teens 20 questions that can help them identify their unique skills and interests. Career Spins puts teens on the first step on their journey toward finding a satisfying career.

Use For:

- High school career centers
- Independent living programs
- Resource libraries
- At-risk youth programs

Scenes from Career Spins:

In the introductory story, Jobie explains his plan for owning his own business.

One of the animated interactive screens that ask questions about skills and interests.
