

Foster Parent College: Eating Disorders

Children in foster care often have serious issues around food. In this course, Dr. Richard Delaney helps parents with the top four problems: stealing and hoarding food, gorging, refusing to eat certain foods, and anorexia. This DVD shows parents how to identify and better understand these problems, and introduces some creative yet very practical solutions.

Use For:

- Foster, adoptive and kinship parents
- Group trainings

Scenes from Foster Parent College: Anger Outbursts:

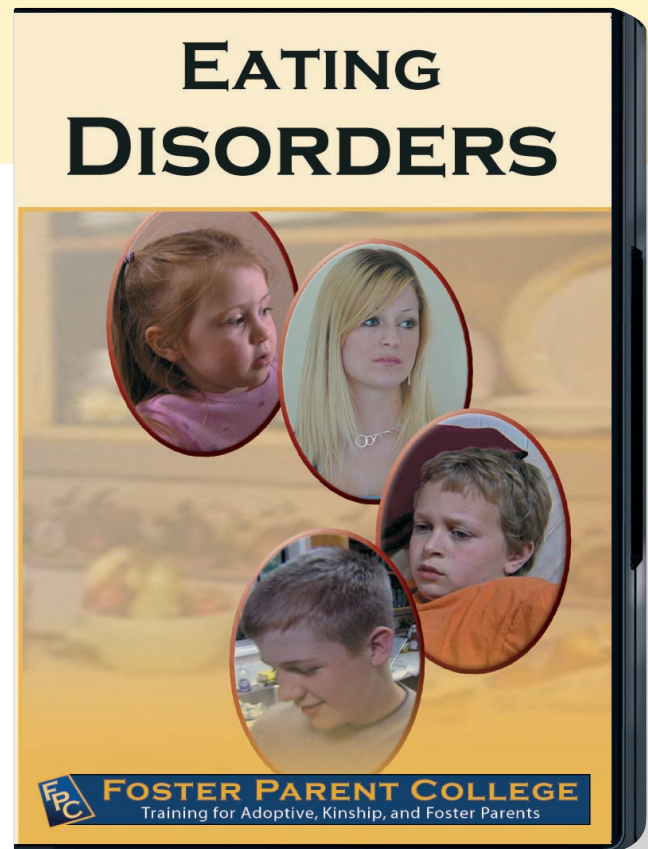

This program offers creative yet practical solutions to four types of eating disorders.

Dr. Delaney gives parents insights and steps to help them understand and solve this serious child behavior problem.

Foster Parent College offers parent training courses on difficult behaviors and conditions. Other classes include Culturally Competent Parenting, Grief & Loss In the Care System, Child Abuse & Neglect, Anger Pie, Anger Outbursts, Sleep Problems, and many more.
