

Foster Parent College: Lying

Lying is the single most common child behavior problem reported by resource parents.

In this course, parents learn to understand and deal with this frustrating problem by looking at four types of lying behavior: lying to save face, lying to gain attention, pathological lying, and lying to get others in trouble. This class was researched, written and hosted by acclaimed clinical psychologist Dr. Richard Delaney.

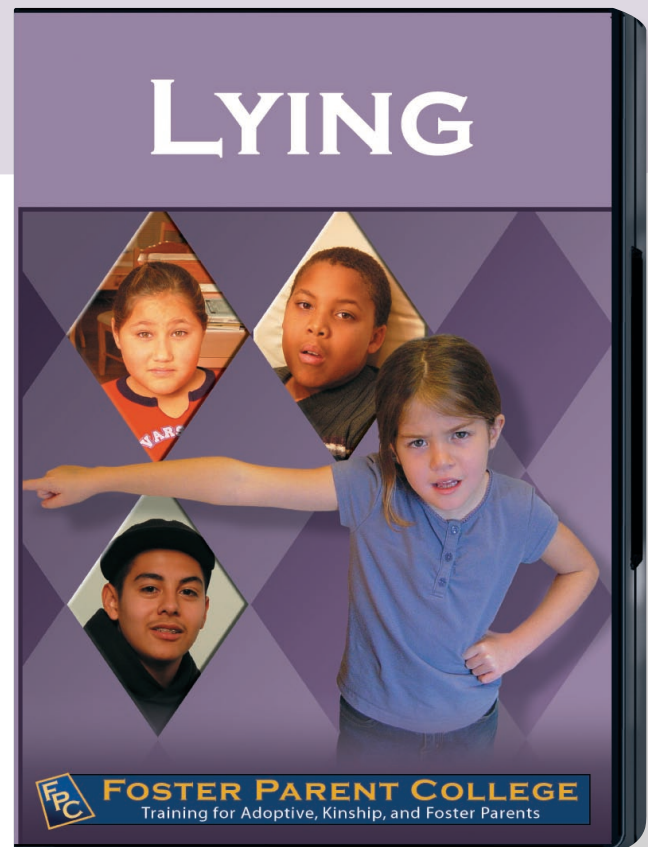

Use For:

- Foster, adoptive and kinship parents
- Group trainings

Scenes from Foster Parent College: Lying

Foster Parent College offers parent training courses on difficult behaviors and conditions. Other classes include Culturally Competent Parenting, Grief & Loss In the Care System, Child Abuse & Neglect, Anger Pie, Anger Outbursts, Sleep Problems, and many more.
