

# Take This Job and Keep It!

## *Job retention skills for teens.*

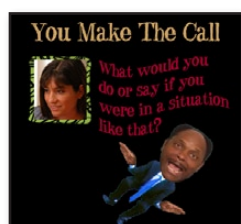

For a lot of teens, the easiest thing about getting a job is losing it. This animated program teaches the practical attitudes and skills that kids need to keep their jobs. Teens get an inside look at the workplace through the eyes of Boarder, an irreverent but lovable skateboarder, as he learns tough lessons about dress codes, getting to work on time, communication and conflict with co-workers and supervisors, understanding job descriptions, employee contracts, and more. Dale Funk, the ultra-hip host, summarizes key points at the end of each chapter.
